DONYA PRETORIUS

PROFESSIONAL SUMMARY

Passionate Bachelor of Computing student specialising in Software Engineering, with experience in administrative support and hospitality. I have a strong ability to communicate effectively with clients, train and support team members, and manage responsibilities in fast-paced environments. I am driven by the ability to bring ideas to life by creating solutions that make a meaningful difference to others. I am excited to grow my knowledge through real-world, hands-on experience and to apply my technical skills in a professional environment.
